THE SLUGGARD

(An Algerian Legend.)

In the lazy little city of Blidah a few years before the French invasion the e motionless, he said solemnly: lived a worthy Moorish gentleman who was named Sidi Lakdar, like his father before him, but to whom his fellow-c.tizens by common consent had given the nickname of the Sluggard.

You must know that the Moors of Algeria, and especially those of Bildah, are Twenty bokes clad in black or reed, the inziest people on earth-no doubt because of the heavy scent of orange and Than robes riche, or fithele, or gay saulemon blessoms with which the air is laden. But in point of laziness and utter Lity of a profession. Other men were labdar was simply a sluggard.

Okdar very popular throughout the dis- instruments. lic laziness. They shouted at Lakdar, 1300. pass one day that one of the little scamps of this article. who had come to play his tricks on the "Look at that good and hard. You ma

gard like Sidi Lakdar. like your father, or a clerk at the Cadi's his earlier period to those of the grand court, like your Uncle Ali. I will never model. The varnish is the beautiful goldmake a sluggard of you. Go to school en-brown on amber, and the top is made this instant or I will break this fine cher- of Swiss pine. In the back and ribs the ry pipestem over your back! Be off, you handsomest of figured wood was used,

tering gilded cuirasses, and inhaling the any kind. It is one of the best example pungent perfume of attar rose mingled of the Stradivarius make, and is valued at with that of woulden burnouses heated \$4,000. The artist played Handel's "Largo" days his father got wind of the thing. He at the beautiful tones of the selemn meloscolded, stormed, took the name of Allah dy. When the stranger finished the in

some difficulty in discovering the lord of collection, or seeking a fine old Gagifano the monor. At last, however, they saw, lying under the fig trees at the back of the garden, half hidden by weeds and swarms of little birds, a bundle of yellow Paptiste Salomon of Paris, from the column of Paris, from the colu

crossed on his breast.

ing a singgard. I have brought him to time mellow tone. A very good orchestral and see if he has the requisite talents. If Mr. Peters has had many curious ex-

the sun were intense. The little garden guite a bargain. But the violin was in and everything in it seemed to be caseco. but shape, and had to be taken down, No sound was heard except the snapidng treated, and then set up. In the work of pling of the brooks through the grass, that under the "f" holes Mr. Peters was and a flapping, like the opening and shut-autonished to find the label, "Hieronimus ting of a fan, of the wings of birds, fly-Apart, Cremonn, 1928," And when that ing lazily among the trees. New and violin had been put in perfect condition. then an overripe fig detached itself and

wearily, like one fattgued, and conveyed the fruit to his mouth. But the boy did not even make this slight exertion. Fine, large figs fell all around him, but he never so much as turned his head. The waster Mr. Frank T. Bullen, the novelist, singard observed this magnificent hade says: "With all due deference to the exlience with the corner of his eye, but re- pert opinion in your eclumns, may I state mained silent. Thus passed the first hour, that I have never since I was twelve and the second. You may imagine that years old read at any length anywhere the poor pipestem turner began to find else. At sea before the mast, and even the session somewhat long. But he did us an officer, reading unywhere else is not dare to break the silence, and sat if not an impossibility, a most difficult motioniess cross-legged and staring himbursess on account of the light.

fatiguing, and lay motionless with the later, reading or not." ever, the temptation became too strong

a fig which he had just picked up, and cried angrily:

"And this is the boy waom you bring to me as an apprentice! On the concrary, he is my master! It is he who should teach me!"

Then, kneeling and bowing his head to the ground before the boy, who still lay "Father of laziness, I salute thee?"

OLD VIOLIN-MAKER

"For him was levere have at his bedes

Of Aristotle and his philosophye. trye."

The golden-tongued Chaucer declared indifference not another man in the town this cheerful attitude of mind as being was a match for Sill Lakdar. This worthy that of the clerk of Oxenford, who was gentleman had raised his vice to the dig- full of all moral virtues, but it would have been different had he been the maker roiderers, innkeepers, grocers; S.di of the "fithele." For the violin-maker first of all loves the fiddle. When the At his father's death he had inherited a artist draws the bow across the magic little garden under the city ramparts, strings he listens with eyes closed, comwith dilapidated low white walls, a gate pletely obvious of all else save the rich, that was overgrown with bushes, and sensuous sound given out by the mellowald not shut, a few banana plants, toned Gagliano, the stunning Strad, or couple of rivulets sparkling amid the brilliant Klotz or Amati. The tone the berbage. . Here he passed his days, .y- is the satisfying element, for however ing at full length on the grass, silent, shanely may be the back, however gracenless, with his beard full of red ants. ful the top; however beautiful and ex-When he was hungry he stretched out quisitely formed the neck, it is the tone his arm and picked up a fallen and broken | that is the final test with the maker, as it panana or a fig from the grass by his is with the artist and the public. But olds. He would have starved rather than the back, the top, the neck, the fingerrise to pluck food from the trees. So board, and every detail of the making the figs in his garden rotted where they bas a significance to the violin make grew and the trees were always full of that is shared by only a few privileged ones, who must have the soul for tone and This monumental laziness had made a love for the "feeling" of the stringel

trict. He was venerated as a saint. The William L. Peters of Hartford for forty ladies of the city, riding out to the ceme- years has been a maker and repairer tery to mourn and cut sweatments, reined of violins, and he has handled many of In their mules and whispered beneath the most celebrated instruments in the their white veils as they pasced his little world during his many years of work. enclosure. Men bowed their heads rev- He has repaired or "treated," as he terms erently and every day after school was it, some 700 violins, valued at from \$100 ut boys in red caps and striped silk to \$5,000 each and he has made with his rests perched themselves in rows on his own hands some 300-odd violins, which he walls for the purpose of ruffling his idyl- has sold at prices ranging from \$50 to

laughed, frolicked, and even threw orange A visit to Mr. Peter's little shop in the peel at him. It was a waste of energy, Charter Oak Bank building reveals the The Sluggard did not budge. From time violin maker in all his enthusiasm for the to time a voice would be heard in the art he loves. He carefully takes from grass, crying: "Take care! If I get up--" the case a precious "fithele' almost as old But he never did get up. Now it came to us the Chaucerian lines at the beginning

Sluggard was in some sore touched with not see its like again," says the maker, compassion and, suddenly conceiving a and he takes the ancient lat of pine and taste for horizontal existence, told his maple from a case and places it in the father next morning that he would not go visitor's hands. Gazing critically at the to school any more and that he wished to become a stuggard. "You a stugger!" exthe label inside. "Antonius Stradivarius, claimed the father, an honest pipestem. Cremous, 1659." It seemed to the stranger.

WANTED-Place to work mornings and evenings, for board, by young lady.

Address "Helper," care Eagle. 43-ltx claimed the father, an honest pipestem Cremoun, 1659." It seemed to the strange turner, industrious as a bee and always almost like shaking hands with old Anseated at his lathe when the cock crew. tomus, and he wondered at the beauty of You a singgard! That is a fine idea! the instrument and the art of the cele "Yes, father, I wish to become a slug- brated Italian who made it. For the violin was of about the time that Stradi-"Never, my boy. You shall be a turner, varius was changing from the works of back being in one piece.
